

EB-2011-0242
EB-2011-0283

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B; and in particular section 36 (2) thereof;

AND IN THE MATTER OF an application by Enbridge Gas Distribution Inc. for an Order or Orders approving and setting the cost consequences associated with the purchase of Ontario biomethane by Enbridge Gas Distribution Inc.;

AND IN THE MATTER OF an application by Union Gas Limited for an Order or Orders approving and setting the cost consequences associated with the purchase of Ontario biomethane by Union Gas Limited.

PROCEDURAL ORDER NO. 4

Enbridge Gas Distribution Inc. (“Enbridge”) and Union Gas Limited (“Union Gas” or combined “the companies” or “Applicants”) have each filed an application with the Ontario Energy Board (the “Board”), dated September 30, 2011 seeking an order or orders approving or fixing rates for the sale of natural gas by Enbridge and Union Gas that include the cost consequences of the purchase of biomethane (which is also known as renewable natural gas). The applications have been filed under section 36 of the *Ontario Energy Board Act, 1998*.

The Board has assigned file number EB-2011-0242 to the Enbridge application and file number EB-2011-0283 to the Union Gas application. The Board has decided to hear both applications through a combined proceeding. On October 21, 2011 the Board issued a combined Notice of Application for both applications. Enbridge and Union Gas served and published the Notice of Application as directed by the Board. A complete list of parties who were approved by the Board as registered intervenors is attached in the Appendix A to this Procedural Order.

On February 17, 2012 the Applicants requested a 7 day extension to answer Interrogatories of Applicants' evidence. The Board granted the request.

On March 1, 2012, Bullfrog Power Inc. requested an extension until Thursday, March 8, 2012 to file its evidence. The Board grants this request and will appropriately adjust other dates in the procedural schedule.

The Board considers it necessary to make provision for the following matters. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Intervenors wishing to file written evidence shall file the evidence with the Board, and have copies delivered to the Applicants and all parties on or before **Thursday, March 8, 2012.**
2. Written interrogatories on the intervenor's evidence shall be filed with the Board and copies delivered to the Applicants and all parties on or before **Thursday, March 22, 2012.**
3. Complete responses to the interrogatories on intervenor's evidence shall be filed with the Board and delivered to all parties on or before **Thursday, April 5, 2012.**

All filings to the Board must quote file numbers **EB-2011-0242 and EB-2011-0283**, be made through the Board's web portal at www.errr.ontarioenergyboard.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address.

Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.ontarioenergyboard.ca. If the web portal is not available you may email your document to the BoardSec@ontarioenergyboard.ca. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file seven paper copies. If you have submitted through the Board's web portal an e-mail is not required.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
