Dear Ms. Walli:

**Re: Response to Intervenor Cost Claims on Suite Metering
OEB File No. EB-2010-0142**

Toronto Hydro-Electric System Limited (THESL) received cost claims from Vulnerable Energy Consumers Coalition and Consumers Coalition of Canada on April 2 and April 5, respectively. THESL has no objections to these costs.

School Energy Coalition has notified THESL and Board Staff that it intends to file costs, but has not yet done so pending release of the Decision. THESL reserves the right to file objections, if any, upon receipt of those claims.

Yours truly,
