Re: EB-2011-0283/0242 – Renewable Natural Gas – Cost Claims

Dear Ms. Walli:

Union Gas Limited (“Union”) has received cost claims from Building Owners and Managers of Ontario (“BOMA”) /Biogas Association, Consumers Council of Canada (“CCC”), Canadian Manufacturers & Exporters (“CME”), Energy Probe, Federation of Rental-housing Providers of Ontario (“FRPO”), Green Energy Coalition (“GEC”), London Property Management Association (“LPMA”), Pollution Probe, School Energy Coalition (“SEC”) and Vulnerable Energy Consumer’s Coalition (“VECC”) for the above noted proceeding.

Union has reviewed the cost claims submitted and has no specific concerns. Union does note there is a wide variation in the levels of the cost claims submitted.

Cost claims were submitted on a combined basis and Union anticipates sharing the payment of costs equally with Enbridge Gas Distribution through the Board’s Order for cost awards.

Yours truly,

Karen Hockin
Manager, Regulatory Initiatives
