Dear Mr. McKeown:

**Re: Application for Electricity Generator Licence
Board File Number EB-2012-0378**

The Board has reviewed your application for an electricity generation licence under the Feed-in Tariff Program. Your application is currently incomplete and cannot be processed until the following has been filed:

1. As stated in your application the FIT contract is between Peterborough Utilities Inc. ("PUI") and the Ontario Power Authority ("OPA"). The Notice to Proceed enclosed with the application also shows PUI as a party holding the OPA FIT contract. Please provide proof that the OPA will be approving or has approved assignment and notation of this contract and the Notice to Proceed to LFG Power Corporation.
2. Please file a Notice of Proposal as a separate application. Upon receipt of the Notice the Board will assign a file number to that matter.

Please file a Notice of Proposal under Section 80 of the *Ontario Energy Board Act, 1998* in accordance with filing requirements which can be found on the OEB website using the following weblink:

http://www.ontarioenergyboard.ca/documents/industryrelations/rules/MAAD_forms/MAAD_sec_80-81_filing_requirements_011206.pdf

The Board will resume processing your application once the information described in Section 1 of this letter has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at +1 (416) 440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
