**Re: 2013 IRM Distribution Rate Application EB-2012-0114 – Chapleau Public Utilities Corporation (CPUC).**

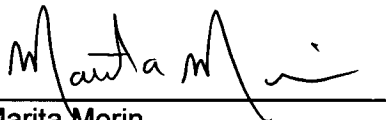

Dear Ms. Walli:

CPUC is close to completion of the documentation necessary to file 2013 Distribution Rate Application due on November 9, 2012. We are, however, unable to meet the deadline as we await Board approval of the 2012 Tariff of Rates and Charges required to prepare the 3rd Generation IRM Model.

CPUC therefore asks the Board's indulgence in this regard and requests an extension to the filing deadline of the 2013 Distribution Rate Application until after we receive the required Board approval of the 2012 COS Tariff of Rates and Charges.

For additional information please contact me at 705-864-0111.

Respectfully submitted,

Marita Morin  
Secretary and Treasurer
