Re: Delay in Filing Interrogatory Responses EB-2012-0168

Dear Ms. Walli:

This will confirm Tillsonburg Hydro Inc. will not be able to file its submissions to the interrogatories presented by Board staff, VECC and Energy Probe on January 22, 2013 as required in Procedural Order #1 for our Cost of Service Application EB-2011-0168.

Tillsonburg Hydro Inc. has recently experienced the unexpected resignation of its Finance Regulatory Affairs Manager delaying the completion process. Tillsonburg Hydro Inc. is working diligently on our response and believes it is important to file a complete submission which we anticipate will be on or before January 25, 2013.

We trust this meets with your approval, however, please contact us should you have any questions or require further information.

Yours very truly,

S.T. Lund, P.Eng.
General Manager
