Re: 2013 IRM Distribution Rate Application EB-2012-0114 – Chapleau Public Utilities Corporation (CPUC).

Dear Ms. Walli:

Chapleau Public Utilities Corporation (CPUC) hereby submits its application for 2013 Distribution Rates effective May 1, 2013, in accordance with the 3rd Generation Incentive Regulation Mechanism (IRM).

CPUC seeks the Boards indulgence as it is filing this application late due to the requirement that the previous Board Approved Tariff of Rates and Charges is required to complete the 2013 IRM Rate Generator Model. CPUC received approval of its 2012 Cost of Service Rates on December 27, 2012 and amended rates on January 8, 2013.

Enclosed with this letter are two (2) hard copies of all documents and exhibits used to develop the 2013 distribution rates. Electronic versions of these documents are also being submitted through the Boards e-Filing Services (RESS).

These documents are filed on behalf of Chapleau Public Utilities Corporation.

Sincerely,

Original signed by:

Peter Ioannou
