**RE: Request for Termination of Constellation Energy Commodities Group - OEB License  
EW-2009-0179**

Dear Secretary:

Pursuant to Exelon Corporation's ("Exelon") December 7, 2012 letter notifying the Ontario Energy Board ("OEB") of its pending merger of Constellation Energy Commodities Group, Inc. ("CCG") into Exelon Generation Company, LLC ("ExGen"), attached please find the articles of merger filed in Delaware and Pennsylvania effective February 1, 2013.

This merger results in the dissolution of CCG and leaves ExGen as the remaining participant in your market. As such, we request OEB terminate CCG's Blanket Authorization License **EW-2009-0179**. ExGen will continue to operate under License number EB-2011-0369.

We thank you in advance for your cooperation and assistance with this effort. Please feel free to share this letter internally as needed and contact us with any questions or concerns.

Sincerely yours,

David O. Dardis  
Vice President and Deputy General Counsel
