Dear Ms Walli:

**Re: Orillia Power Distribution Corporation ("Orillia Power")
2013 IRM3 Distribution Rate Application - Board File No. EB-2012-0156**

Orillia Power has reviewed Appendix A – Draft Tariff of Rates and Charges - to the Decision and Order issued by the Ontario Energy Board (the "Board") on April 4, 2013. We find no issues with the accuracy of the draft tariff sheets. Orillia Power however requests:

1. A change to the document header to show the full legal name of the company, Orillia Power Distribution Corporation.
2. Removal of the phrase, "the Ministry of Energy Conservation and Renewable Energy Program" included in the paragraph beginning, "It should be noted that..." on pages 9 and 10 of the Tariff sheets. This phrase was removed from previous tariff sheets and is inconsistent with the remainder of the document.

We appreciate the Board's attention to this matter. Should you have any questions, please contact the undersigned at (705) 326-2495 extension 240 or email at pwelsh@orilliapower.ca.

Respectfully,

Pauline Welsh
