Dear Ms. Gillies:

**Re: Application for an Electricity Generator Licence
Board File Number EB-2013-0188**

The Board has reviewed your application for an electricity generator licence as a Feed-in Tariff Program participant. Your application is currently incomplete and cannot be processed until the following has been filed:

- Please provide a copy of the Notice to Proceed issued by the Ontario Power Authority for your project; and
- Please provide details on the operator of facility including whether or not the person or entity seeking the qualification is licensed and, if not, indicate when an application for the other qualification will be filed.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Vince Mazzone, Analyst at (416) 544-5159 or e-mail, Vince.Mazzone@ontarioenergyboard.ca.

Yours truly,
