To: All parties in the East-West Tie Line Designation Proceeding EB-2011-0140

Re: Submission from Red Sky Métis Independent Nation

The Ontario Energy Board notes that Red Sky Métis Independent Nation ("RSMIN") filed a submission in the above-noted proceeding on May 9, 2013. A copy of the submission is attached to this letter, as the submission was apparently not copied to all parties.

RSMIN is not a registered intervenor in the East-West Tie proceeding. The Board understands that RSMIN contacted Board staff to indicate their interest in the proceeding and attended the oral sessions in Thunder Bay.

Given the nature of the submission, the Board will include it on the record of the proceeding as providing RSMIN's comments on the designation proceeding and indicating their interest in further consultation.

Yours truly,
