Dear Mr. Lund:

**Re: Tillsonburg Hydro Inc. - 2013 Cost of Service Rate Application
Correction to Tariff of Rates and Charges
Board File No. EB-2012-0168**

Subsequent to issuing its Decision and Order dated April 9, 2013 in this matter, the Board became aware of a small error on the Tariff of Rates and Charges attached to the Order. The Rate Rider for Recovery of Lost Revenue Adjustment Mechanism Variance Account (LRAMVA) charge for the General Service 50 to 499 kW service classification is shown as a \$/kWh charge, as opposed to the correct \$/kW charge. Pursuant to its powers under Rule 43.02 of the Board's Rules of Practice and Procedure, the Board has corrected this error and the revised Tariff of Rates and Charges is attached. This revised Tariff of Rates and Charges replaces the one issued with the Board's April 9, 2013 decision. The Decision itself is not changed in any way.

Yours truly,
