Dear Mr. Heaman:

**Re: Woodstock Hydro Services Inc. (“Woodstock”)
Notice of Proposal under Section 80 of the *Ontario Energy Board Act, 1998*
Board File No. EB-2013-0093**

On April 2, 2013, Woodstock filed a notice of proposal under section 80 of the *Ontario Energy Board Act, 1998*, advising the Board of its intention to acquire an interest in generation in Ontario.

On April 30, 2013, Woodstock filed a revised notice of proposal informing the Board that it had installed microFIT solar generation facilities. The total capacity output of these facilities will be 48 kW. The generated electricity will be sold through OPA contracts under the OPA microFIT program.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
