**AND IN THE MATTER OF** an application by Oakville Hydro Energy Services Inc. pursuant to section 74 of the *Ontario Energy Board Act, 1998* to amend electricity generation licence EG-2004-0415;

**DECISION AND ORDER**  
**July 25, 2013**

Oakville Hydro Energy Services Inc. ("OHESI") and Kakawong Power Incorporated ("KPI") filed an application on May 29, 2013 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998* (the "Act") to amend their electricity generation licences EG-2004-0415 and EG-2003-0139, respectively.

The requested amendment is to add to Schedule 1 of OHESI's electricity generation licence the ownership and operation of three generation facilities and to remove from Schedule 1 of KPI's electricity generation licence the ownership and operation of one generation facility.

The three facilities include Oakville Hydro Energy Services Inc. Solar 1 and Oakville Hydro Energy Services Inc. Solar 2 rooftop solar facilities in Oakville, Ontario and the hydroelectric Kagawong Generating Station in Kagawong, Ontario. The Kagawong

Generating Station will be transferred from OHESI to KPI due to the acquisition of the facility by OHESI.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicants have consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendments to licences EG-2004-0415 and EG-2003-0139.

**IT IS THEREFORE ORDERED THAT:**

1. Schedule 1 of Oakville Hydro Energy Service Inc.'s electricity generation licence EG-2004-0415 will be amended to add the ownership and operation of Oakville Hydro Energy Services Inc. Solar 1, Oakville Hydro Energy Services Inc. Solar 2, and the Kagawong Generation Station generation facilities to the licence.
2. Schedule 1 of Kagawong Power Incorporated's electricity generation licence EG-2003-0139 will be amended to remove the ownership and operation of the Kagawong Generation Station generation facility from the licence.
