Ontario Energy Board
Attention: Kirsten Walli, Board Secretary
P.O. Box 2319, 27th Floor

Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: Request for Revised 2014 IRM filing date.

Case Number: EB-2013-0178.

Wellington North Power Inc. is in receipt of the Board's e-mail to all Licensed Distributors, dated August 16, 2013, entitled: "**Process for 2014 Incentive Rate Mechanism ("IRM") Distribution Rate Applications.**" In Table 1 of this letter, it identifies that Wellington North Power Inc. is included in Tranche 1 with a filing date of August 30, 2013.

Wellington North Power Inc (WNP) wishes to advise the OEB that the LDC will be unable to file its 2014 IRM application by August 30th 2013 based on the following constraints:

- a) The Company's President / CEO is currently on vacation and returns on September 3rd, 2013. Approval and authorization is required from the LDC's CEO / President prior to submission to the OEB;
- b) In its' 2014 IRM application, WNP is submitting an Incremental Capital Module for funding to replace an existing Substation. Information from a 3rd party consultant is pending and WNP anticipates that this information will be received at the start of September.

Given the two points mentioned above, Wellington North Power Inc. would like to respectfully request to the OEB that the LDC's 2014 IRM filing date be extended to **September 27, 2013**, enabling the company to file a complete and authorized application.

If the Board has questions regarding this matter please contact me at rbucknall@wellingtonnorthpower.com or call 519-323-1710.

Yours truly,
