Dear Ms. Walli:

**Re: EB-2013-0115 - Burlington Hydro Inc.
Submissions of Vulnerable Energy Consumers Coalition (VECC)**

These are the submissions of VECC in response to Procedural Order No. 1 in the above noted proceeding.

The Board has issued identical draft issues lists in six different 2014 cost of service proceedings - EB-2013-0174; EB-2013-0116; EB-2013-0160; EB-2013-0159; EB-2013-0155 and this file, EB-2013-0115. The genesis of the issues list is the RRFE initiative. To date VECC has made detailed submission in three of the proceedings. On December 16, 2013, the Board issued its decision on the generic list in Procedural Order No. 2 of EB-2013-0160 (Orangeville Hydro Limited). That decision approves an issues list which is the same as the draft proposal. A similar decision was issued with respect to EB-2013-0155 (Niagara-on-the-Lake Hydro) on December 20th.

VECC has reviewed the submissions of both Energy Probe and the School Energy Coalition in this proceeding. While VECC is in agreement with their comments we believe, having reviewed the Board's prior decisions, that further submissions on this matter are redundant.

Thank you.

Yours truly,
