Attention: Ontario Energy Board Secretary

Dear Sirs/Mesdames:

**Re: Interim Electricity Generation Licence – Request for Extension
(Board File No. EG-2013-0389)**

We are writing on behalf of our client, Aurora Smiths Falls 4 Limited Partnership (the “Licensee”).

The term of the Licensee’s interim electricity generation licence is currently set to expire on January 31, 2014. It is uncertain whether the commercial transaction whereby the generating assets are to be transferred from RE Smiths Falls 4 ULC (EG-2013-0092) to the Licensee will have closed prior to that date. The Licensee requests the Board’s consent to an extension of the term of the interim electricity generation licence designated as EG-2013-0389 for an additional two (2) months, expiring March 31, 2014.

If you have any further questions or comments, please do not hesitate to contact the undersigned.

Yours truly,

Lanette Wilkinson
