Dear Ms. Walli

Re: EB-2013-0115

The Board's letter of April 3, 2014, in the above named matter extended the filing date for Burlington Hydro's Proposed Settlement Agreement to April 11, 2014.

Burlington Hydro seeks an extension to this filing date to provide sufficient time to appropriately document the outcome of the Settlement Conference, to update all Burlington Hydro's rate making models, to address a new issue that has arisen and for review by all parties. Burlington Hydro continues to work diligently and hopes that it will be ready to file its Proposed Settlement Agreement on or before April 25, 2014.

Please do not hesitate to contact me if you have any questions on this matter.

Sincerely

K. Farmer
Manager, Regulatory Affairs
