Dear Ms. Walli

Re: EB-2013-0115

Energy Probe and the School Energy Coalition filed cost claims in the above named matter.

Burlington Hydro Inc. has reviewed Energy Probe's cost claim and found a minor discrepancy of \$3.90 with respect to the amount of HST claimed. Page 2 of the "Cost Claim for Hearings" shows that Energy Probe's cost claim includes HST in the amount of \$995.20. However, the detailed supporting materials show HST in the amount of \$991.31:

- Mr. MacIntosh: \$172.09 for HST on his fees;
- Mr. Aiken: \$791.51 for HST on his fees and \$27.71 of HST on disbursements.

Burlington Hydro has no comment on School Energy Coalition's cost claim.

Burlington Hydro has not received a cost claim from the Vulnerable Energy Consumers' Coalition.

Please do not hesitate to contact me if you have questions in this matter.

Sincerely

K. Farmer
