10 **Response**

11  
12 OPG has provided the following two attachments as found in the Modus/Burns and McDonnell  
13 Initial Project Assessment report dated August 13, 2013.

14  
15 Page 17, footnote 12 – this is a copy of a screening report provided to OPG’s Nuclear Oversight  
16 Committee in November 2008 as information only – no decision was requested. This was early  
17 project works based on some very preliminary information and technical studies and prior to the  
18 full assessment of the lessons learned from the Bruce, Wolsong, and Pt. Lepreau refurbishments.  
19 This assessment was superseded in November 2009 with the Board approval of OPG’s  
20 Economic Feasibility Assessment and Preliminary Release Business Case as filed in EB-2010-  
21 0008, Exhibit D20201, Attachment 4.
