

**UNDERTAKING J13.1**

**Undertaking**

Provide the 2014 performance of the pension plan to date or the most recent information available.

**Response**

The return for the six months from January 1, 2014 to June 30, 2014 is 10.6 percent. As discussed at TR Vol. 13 page 28, this measure of short-term performance is not appropriate for setting long-term pension cost or funding
