

UNDERTAKING J14.8

Undertaking

To advise how long OPG has been in discussions with the department regarding its fisheries authorization.

(Provide information on how long the discussions have been going on with Department of Fisheries.)

Response

Following completion of the EA, OPG has been in discussions with DFO regarding specifics of the submission for an Authorization under the FA since early 2013. In general these discussions relate to the technical aspects of the application and ensures completeness when submitted.
