Dear Ms. Walli:

**Re: OPG 2014/2015 Payment Amounts**  
**Board File No.: EB-2013-0321**

---

The OPA is writing to file responses to questions of Green Energy Coalition ("GEC") and Environmental Defence ("ED") that were asked in order to clarify information related to the OPA's analysis of Pickering Continued Operations.

The OPA is providing these responses in agreement with GEC and ED, in order that the information is available to other interested parties as well, should they find it useful.

The OPA has used the Board's RESS to file these documents and encloses two paper copies for your records.

Yours truly,

A handwritten signature in black ink that reads "Nancy Marconi". The signature is written in a cursive, flowing style.
