**Re: Ottawa River Power Corporation  
2015 Distribution Rate Application  
EB-2014-0105**

Dear Ms. Walli:

Ottawa River Power Corporation (ORPC) would like to inform the Ontario Energy Board that despite best efforts and intentions, it will not be able to meet the 2015 Cost of Service Application deadline of August 29, 2014. ORPC would like to assure the Board that significant work has taken place but that there is still more effort required.

Ottawa River Power Corporation is committed to submit a complete application that conforms to the most recent filing requirements. ORPC apologizes for any inconvenience this might pose and plans to submit its application by September 30, 2014.

Ottawa River Power Corporation respectfully submits this notification.

Kind Regards,
