Dear Ms. Walli:

Re: EB-2013-0321 – 2014/15 Payment Amounts Application – KPMG Report

OPG has learned that last week the Ministry of Energy posted on its website the full, unredacted version of the KPMG Report (Exhibits K3.1, K3.2 and K3.3 in this proceeding). The link to the documents is shown below.

When originally filed by OPG on June 10, 2014, Exhibit K3.2 (Assessment of Organizational and Structural Opportunities at OPG) contained some redactions dealing with labour relations, supply chain and commercially sensitive information, which the OEB accepted on June 24, 2014 (Tr. Vol 9, pp 186 -187).

With the Ministry's recent public release of these documents on its website, OPG believes that the subject information is no longer confidential and the confidential treatment established by the Board is no longer necessary.
