Attention: Kristen Walli, Board Secretary

Dear Ms. Walli:

**Re: EB-2014-0099
North Bay Distribution Ltd. (NBHDL)
2015 Rebasing Application**

In a letter dated February 20, 2014, the Ontario Energy Board (the "Board") identified NBHDL as one of the distributors on the 2015 rebasing list. Although NBHDL's staff and consultants have been working diligently on preparing an application for rates effective May 1, 2014, we are writing to inform the Board that NBHDL will not be in a position to file its rebasing application by August 29, 2014. NBHDL will continue to use its best efforts to complete all remaining work to file its rate application on or before November 28, 2014

Yours truly,
