Dear Ms. Walli:

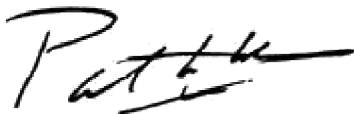

EB-2014-0274: Natural Resource Gas Limited (“NRG”) - Two Year Rates Extension Request

On August 25, 2014, NRG submitted an application for, *inter alia*, an Order of the Ontario Energy Board (the “Board”) extending NRG’s current rates on an interim basis as of October 1, 2014 and distribution rates based on a continuation of NRG’s current Incentive Regulation Plan for NRG’s next two fiscal years from October 1, 2014 through September 30, 2016.

To clarify, NRG will submit its IRM application and associated data after the Board approves NRG’s application in this matter. Further, NRG’s 3rd Generation IRM ends as of September 30, 2014, and as such, NRG requests an extension until September 30, 2016.

Please do not hesitate to contact me if you have any questions.

Yours very truly,

Patrick G. Welsh
