Re: Ontario Power Generation Inc.  
2014/2015 Payments Amount Application  
AMPCO Comments on Draft Rate Order  
Board File No. EB-2013-0321

Dear Ms. Walli:

On November 20, 2014, the Board issued its Decision with Reasons on OPG's application. OPG filed the draft Payment Amounts Order on December 1, 2014. AMPCO has reviewed the draft Payment Amounts Order and the submissions of Board Staff, SEC, LPMA and CME. AMPCO supports the submissions of Board Staff and the intervenors.

Specifically, AMPCO agrees with CME that OPG should set out the annualized impact for general service and large volume consumers in addition to the annualized residential consumer impact. Accordingly, as requested by CME, OPG should provide two additional tables to Appendix A to the Draft Payment Amounts Order to show the annualized general service consumer impact and the large volume consumer impact and include all assumptions.

Please do not hesitate to contact me if you have any questions or require further information.

Sincerely yours,
