LETTER OF COMMENT

Comments:

To Whom It May Concern

Which is, in fact, every person in Ontario who uses electricity.

I am absolutely and resolutely opposed to ANY further increases to my Hydro bill, for ANY reasons provided by OPG.

The waste and gold-plated lifestyles at OPG are legendary, and public knowledge to anyone who has been paying attention.

NOW is the time that YOU must decline OPG's application, in the name of common sense, economic conservatism, and stopping of the OPG gravy train, and abuse of taxpayers and consumers, who can not live without hydro.

Just say, "NO!!!!!!"

Most Sincerely,
Donald Montgomery
