1. The Society of Energy Professionals (The Society) hereby expresses its intention to participate as an intervenor the above-mentioned proceeding. The Society of Energy Professionals represents more than 8300 professional employees who work in the Ontario electricity system.
2. The Society represents approximately 3,000 professional employees at Ontario Power Generation, including engineers, supervisors, and finance specialists, among many other occupational categories.
3. The Society was an active intervenor in the Ontario Power Generation proceeding EB-2013-0321, Payment Amounts For Prescribed Facilities For 2014 and 2015, which preceded this present application.
4. As such, The Society of Energy Professionals is an interested party and has an interest in the hearing of this matter, as well as the resulting Board decision.
5. The Society of Energy Professionals wishes to receive copies of all evidence and correspondence filed by the applicant, intervenors and other interested parties. The Society of Energy Professionals asks that copies of the filings be sent to The Society of Energy Professionals at the address set out below.
6. The name and address of the person authorized to receive documents on behalf of The Society of Energy Professionals is:  
Dan Kellar, Staff Officer, Policy
