THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The OEB will hold a public hearing to consider Oshawa PUC's request. We will question the company on its case for a rate increase. We will also hear arguments from individuals and from groups that represent Oshawa PUC's customers. At the end of this hearing, the OEB will decide whether the electricity distribution rates Oshawa PUC has applied for are reasonable.

If Oshawa PUC's application is approved, the OEB's review in the years 2016 through 2019 will be limited to ensuring certain annual adjustments are made in accordance with the approved rate plan.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
