## **Ontario Power Generation**

### **Application to dispose of balances in certain deferral and variance accounts**

#### **PROCEDURAL ORDER NO. 3**

**April 2, 2015**

Ontario Power Generation Inc. (OPG) filed an application with the Ontario Energy Board (OEB) on December 18, 2014 under section 78.1 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for an order or orders related to deferral and variance accounts, including disposition of account balances as at December 31, 2014.

In Procedural Order No. 1 the OEB indicated that it would determine the need for a technical conference subsequent to the filing of the interrogatory responses by OPG. The parties have indicated that a technical conference is not required. The OEB accepts this recommendation.

Procedural Order No. 1 further set out the process for the draft issues list, settlement conference and filing of any settlement proposal. These procedural steps are not affected by the determination that a technical conference is not required.

The OEB considers it necessary to make provision for the following matters related to this proceeding.

#### **IT IS THEREFORE ORDERED THAT:**

1. The technical conference, tentatively set for April 9 and 10, 2015, is cancelled.

2. All other dates set in Procedural Order No. 1 remain unchanged.

**DATED** at Toronto, April 2, 2015
