**Re: Toronto Hydro-Electric System Limited
Application for Rates
OEB File Number EB-2014-0116**

The Panel has reviewed correspondence filed by Rogers Communications Partnership; Cogeco Cable Inc. on behalf of itself and its affiliates, including Cogeco Cable Canada LP and Cogeco Data Services Inc.; Allstream Inc.; and TELUS Communications Company and its affiliates (the “Carriers”) on April 2, 2015. The correspondence includes interrogatories of the Carriers directed to Toronto Hydro. The Carriers state that the interrogatories are filed in accordance with the direction in Procedural Order No. 7, paragraph 5, that “Parties and Board Staff seeking information and material that is in addition to any evidence, and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to all parties on or before April 2, 2015.”

The Panel notes that the intention of paragraph 5 in Procedural Order No. 7 was to provide for an opportunity for parties to ask interrogatories on the evidence filed in accordance with paragraph 4 of the Procedural Order. It was not meant to provide a second opportunity for parties to pose interrogatories to Toronto Hydro.

If the Carriers’ position is that the interrogatory responses filed by Toronto Hydro are not satisfactory, the Carriers may bring a motion in accordance with Rule 27.03 of the Rules of Practice and Procedure and seek direction from the Board.

For additional clarity, the Panel does not expect Toronto Hydro to respond to the additional interrogatories filed by the Carriers at this time.

Yours truly,
