**Re: Toronto Hydro-Electric System Limited
Application for Rates
OEB File Number EB-2014-0116**

The Panel has reviewed Toronto Hydro's letter of April 13, 2015 requesting an indulgence to file its final reply submission on April 17, 2015, one day later than the prescribed deadline of April 16, 2015 as set by the OEB during the oral hearing on March 3, 2015. In making this request Toronto Hydro informed the OEB that despite the deadline of April 2, 2015, certain late filings were not submitted until one day later than ordered by the OEB and well into the night of April 3, 2015.

In light of these circumstances the OEB grants Toronto Hydro a two day extension to file its Reply submission to Monday April 20, 2015.

The Panel also hereby formally confirms that the oral hearing of the wireline attachment rate scheduled for April 16, 2015 is adjourned until such further date as determined to be appropriate. Future scheduling matters will be set out in a future procedural order.

Yours truly,
