Ontario Power Generation

Application to dispose of balances in certain deferral and variance accounts

PROCEDURAL ORDER NO. 5

May 22, 2015

Ontario Power Generation Inc. (OPG) filed an application with the Ontario Energy Board (OEB) on December 18, 2014 under section 78.1 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for an order or orders related to deferral and variance accounts, including disposition of account balances as at December 31, 2014.

Procedural Order No. 1 made provision for a settlement conference starting on May 4, 2015 and for the filing of any settlement proposal arising from the settlement conference on May 22, 2015. OPG and most of the approved intervenors to the proceeding (the parties) entered into early settlement discussions in April. Following these discussions, it was determined that the formally scheduled settlement conference was not required.

OPG filed correspondence on May 22, 2015, stating that there would be a delay in the filing of the settlement proposal arising from the settlement discussions. The parties propose a filing date of May 27, 2015. The OEB approves the new filing date.

The OEB considers it necessary to make provision for the following matters related to this proceeding.
