Dear Ms. Walli:

Re: EB-2014-0116 Toronto Hydro Wireline Rate

We are counsel to Toronto Hydro in the above noted matter. We are writing with consent of the “Carriers” and in connection with the wireline rate proceeding currently scheduled for June 9 and 11.

Toronto Hydro and the Carriers have had a number of productive discussions in an attempt to resolve this matter. We would like the opportunity to continue these discussions with the remaining interested parties. Accordingly, we respectfully request that the Board adjourn the hearing date and schedule a settlement conference. If acceptable to the Board, our intention would be to continue our settlement discussions at the Board hearing room on June 9 at 9:30am.

Yours truly,

Crawford Smith
