

August 16, 2015

**BY COURIER (2 COPIES) AND RESS**

**Ms. Kirsten Walli**

Board Secretary

Ontario Energy Board

2300 Yonge Street, Suite 2700, P.O. Box 2319

Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: EB-2015-0049 Enbridge Gas Distribution Inc. (“Enbridge”)  
EB-2015-0029 Union Gas Limited (“Union”)  
2015-2020 Demand Side Management (“DSM”) Plans**

I am writing to let the Board and the parties know that I have broken my jaw and therefore my voice will sound somewhat different during this hearing. My jaw is wired completely shut and therefore I must speak through my closed teeth. Although this is somewhat cumbersome, I have found that I am fully able to communicate.

Although the broken jaw is a nuisance, I am otherwise fine. A few weeks ago I was cut off while cycling to work in the morning. I went over my handlebars and landed directly on my chin, breaking my jaw. I was wearing a helmet and did not hit my head.

Please do not hesitate to ask me to repeat myself if at any point you have trouble hearing me.

Yours truly,

Kent Elson
