Exhibits and Undertakings

Exhibit K	Description	Date Filed
KTC 1.1	Table provided in reference to powerstream's response to 1 staff 16.	Sept 9 2015
Undertakings J	Description	Date Filed
JTC 1.1	In respect of 2 Energy Probe 12, part B, to update various tables 4, 5 and 6 for those matters that Mr. Aiken just set out.	Sept 11, 2015
JTC 1.2	To provide the study requested.	Sept 11, 2015
JTC 1.3	To provide documentation about the high-level analysis that was done.	Sept 11, 2015
JTC 1.4	To provide a breakdown of the customer billing costs to move to monthly billing.	Sept 11, 2015
JTC 1.5	To provide the appendices 2-aa and 2-ab, and in the excel version, if possible.	Sept 11, 2015
JTC 1.6	To provide the equivalent excel workbook for the updated customer count.	Sept 11, 2015
JTC 1.7	To provide a calculation schedule for number e and the led adjustment, and as part of that response how you calculated for the fact that for markham, barrie, new tecumseth, their conversions were already completed as of the end of 2015.	Sept 11, 2015
JTC 1.8	To advise where in the application we can find a table that updates the table that is in response to Staff 14 B, which shows the total annual capital and OM&A savings on a revenue requirement basis by year.	Sept 11, 2015

JTC 1.9	To provide the labour and equipment and material costs for the unit costs reflected in the table that is marked as ktc1.1. Also, to do an estimate about what the blended rates would be.	Sept 11, 2015
JTC 1.10	To confirm that powerstream applied hourly customer interruption cost of \$1.20 per kilowatt-hour for duration of the customer minutes interrupted, not customer hour interrupted, because there's a factor of 60 between those two, and that when it comes to benefit calculations this was considered.	Sept 11, 2015
JTC 1.11	To provide the answer to 2 Staff 57, part B.	Sept 11, 2015
JTC 1.12	To try and break out the material and external purchase costs for each of the years 2012 through to 2020 for work completed by internal resources, and this is with respect to the answer given to 2 Staff 59.	Sept 11, 2015
JTC 1.13	To ask the consultant to provide the background to the 1.47 factor.	Sept 11, 2015
JTC 1.14	To provide the information on the requirements under which they operate.	Sept 11, 2015
