Re: EB-2015-0179 – Public Hearing

Further to your notice of a public hearing on the above noted application filed by Union Gas, please be advised that the Council of the Corporation of the Township of Prince have been actively advocating for the expansion of the Natural Gas Pipelines into our municipality for several years. They have conducted surveys and, as a result of these surveys, believe that the majority of residents will benefit from this utility and are anxious for this service to become available.

We appreciate this opportunity to support the expansion project # EB-2015-0179 and look forward to hearing a positive outcome of the proceedings.

Sincerely,

Peggy Greco
CAO/Clerk-Treasurer
On behalf of the Council of the
Corporation of the Township of Prince
