Dear Sir/Madam:

**Re: OEB File: EB-2015-0141 – Motion for Review and Variance of Decision
EB-2013-0416/EB 2014-0247**

As required by Procedural Order No 3, the Carriers wish to advise that they intend to file evidence in this matter.

The Carriers submit that the schedule going forward should be as follows:

- (a) the Carriers, Board staff, or intervenors that wish to file evidence in this proceeding shall do so on or October 30, 2015 (the “Evidence Filing”);
- (b) the Carriers, Board staff, intervenors, or Hydro One shall request any relevant information and documentation regarding evidence filed by the Carriers, Board staff, or intervenors by written interrogatories filed with the Board and serve on all parties on or before 20 days from Evidence Filing;
- (c) a transcribed Technical Conference shall be convened thereafter, on a date to be determined by the Board. Parties participating in the Technical Conference shall file with the Board and copy Hydro One and all other parties, a list of issues,

questions or matters on which they intend to seek clarification at the Technical Conference, by a date to be determined by the Board;

- (d) a Settlement Conference among the parties will be convened on a date to be determined by the Board;
- (e) if there is no settlement proposal arising from the Settlement Conference, Hydro One shall file a statement to that effect with the Board by a date to be determined by the Board. In that event, parties shall file and serve on the other parties by a date to be determined by the Board any submissions on which issues shall be heard in writing, and for which issues the Board should hold an oral hearing;
- (f) any submission from Board staff on a settlement proposal shall be filed with the Board and served on all parties within 7 days from the date any settlement proposal is filed; and
- (g) an oral hearing with witnesses will take place on dates to be determined by the Board.

Yours very truly,
