Dear Ms. Walli,

Re: EB-2014-0370 – Objections to Cost Claims

OPG has reviewed the cost claims submitted by intervenors for the Deferral and Variance Account Balances proceeding EB-2014-0370.

OPG wishes to object to the claim submitted by Energy Probe on October 15, 2015. Specifically, Energy Probe submitted a cost claim for both Mr. Schwartz and Mr. MacIntosh. As per the OEB's Procedural Order No. 2 dated March 13, 2015:

“Energy Probe should be aware that the OEB will not generally allow the recovery of costs for the attendance of more than one representative of any party, unless a compelling reason is provided when cost claims are filed.”

OPG is not aware of any compelling reason having been provided to support the attendance of two individuals, and recommends adjustment of Energy Probe's award accordingly.

Please direct any comments or questions in this matter to the undersigned.

Yours truly,

for/ Colin Anderson
