Dear Ms. Walli:

**Re: Review of Miscellaneous Rates and Charges – Toronto Hydro’s Nominee for the Pole Attachments Working Group (PAWG)
OEB File No. EB-2015-0304**

Pursuant to the OEB’s November 5, 2015 letter announcing the above-referenced consultation, Toronto Hydro hereby requests to participate in the PAWG. Toronto Hydro is the largest municipally-owned LDC in Ontario, and has been an active participant in wireline and wireless attachment matters in recent years.

Toronto Hydro would like to nominate Nicole Brown, Manager of Commercial Services, to be considered as its representative in the PAWG. Nicole is in-house legal counsel at Toronto Hydro and regularly advises on operational and legal matters pertaining to third-party attachments on Toronto Hydro’s poles. In this capacity, and with Toronto Hydro’s experience with pole attachments more generally, Nicole would be a valuable asset to the PAWG and hereby recommend her for your consideration as such.

Should Nicole be chosen to as part of PAWG, please address all relevant correspondence to:

Ms. Nicole Brown
Manager, Commercial Services
Toronto Hydro-Electric System Limited
14 Carlton St, 8th Floor
Toronto, ON M5B1K5
nbrown@torontohydro.com
regulatoryaffairs@torontohydro.com

Toronto Hydro will not be seeking an award of costs in this proceeding.

Thank you for your consideration and we look forward to future work on this matter.

Sincerely,
