Re: Review of Miscellaneous Rates and Charges – Board File No. EB-2015-0304

Dear Ms. Walli:

As you are aware, CHEC is an association of fifteen local distribution companies (LDC's) that have been working collaboratively since 2000. We are writing to nominate Roy Rogers for the Pole Attachment Working Group (PAWG).

Mr. Rogers is the Operations Manager for Midland PUC and has a wide range of long standing experience in utility operations and engineering matters. More specifically, Roy also has a strong understanding of the issues surrounding pole attachments. With his experience, Roy would be a valuable asset to the PAWG and we hereby recommend him for your consideration. Should Roy be selected, his contact information is as follows:

Roy Rogers, Operations Manager
rogers@midlandpuc.on.ca
Phone – cell: 705-623-0189

Thank you for your time and efforts in this matter. Should have any questions or concerns, please do not hesitate to contact me.

Sincerely yours;

Kenneth B. Robertson
