Re: Confidential Advance Review of the Decision

The Ontario Energy Board (OEB) expects to release its decision on the Toronto Hydro Custom 5 year distribution rate application on Tuesday December 29, 2015 at approximately 4:00 p.m. Should parties wish an advance review of the decision, the OEB will make copies available for confidential review by parties in a lock-up prior to its public release.

The lock-up will commence at 2:00 p.m. at the OEB's offices on the day of the decision's release. If you do not require the full two hours to review the decision, you may arrive after 2 p.m. All individuals participating in the lock-up will be required to remain in their assigned room until the decision is released publicly. The use of cellular phones or other external communication devices will not be permitted during the lock-up.

Any parties wishing to participate in the lock-up must send an e-mail to BoardSec@ontarioenergyboard.ca by **12:00 pm** on Tuesday, December 29, 2015. Please include the names of the individuals who will attend, the party they represent and the expected time of your arrival.

Participants must arrive at the Board's reception area on the 27th floor, 2300 Yonge Street, Toronto, Ontario fifteen minutes prior to entering the lock-up December 29, 2015. All participants will be required to sign in upon entrance to the room.
