Halton Hills Hydro Inc.

**Application for electricity distribution rates and other
charges beginning May 1, 2016**

PROCEDURAL ORDER NO. 2

March 4, 2016

Halton Hills Hydro Inc. (HHHI) filed a complete cost of service application with the Ontario Energy Board (OEB) on October 2, 2015 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that HHHI charges for electricity distribution, to be effective May 1, 2016.

A settlement conference was held on February 1 to 3, 2016. The parties arrived at a complete settlement of the issues and a settlement proposal was filed on February 29, 2016.

The OEB is making provision for the presentation of the settlement proposal filed by HHHI. The presentation is intended to summarize and provide any salient information for the OEB's consideration in reviewing the settlement proposal, the planning it has undertaken to address system needs and customer preferences, and its proposal regarding how the costs of distributing electricity ought to be recovered from customers through the rates they pay, taking into consideration the OEB's policies. The purpose of the presentation is not to provide an opportunity for cross-examination by the parties, but rather for HHHI to present the settlement of issues in the case. It is the OEB's expectation that a HHHI senior executive will be present to explain the merits of the settlement proposal.

The OEB considers it necessary to make provision for the following matters related to this proceeding.

THE OEB ORDERS THAT:

1. Halton Hills Hydro Inc. will present the settlement proposal to the OEB on **March 10, 2016** from 9:30 a.m. to 12:00 p.m. in the OEB's offices at 2300 Yonge Street, 25th floor, Toronto, Ontario.
