

**BOARD STAFF COMMENTS**  
**NRG April 2016 QRAM Application EB-2016-0049**  
**March 15, 2016**

1. In Schedule 1, page 4 (lines 12-14), NRG has noted that it intends to return to system gas purchases from Union Gas Limited effective November 1, 2016.

Will NRG continue to purchase locally produced gas after it becomes a system gas customer of Union Gas Limited? If yes, please provide reasons for requiring locally produced gas post November 1, 2016.
