Dear Mr Thompson:

**Re: Correction to Final Rate Order  
Peterborough Distribution Inc.  
Application for Rates  
OEB File Number EB-2015-0097**

The OEB issued a Final Rate Order in the above-noted proceeding on March 17, 2016. In the final tariff sheet, the item "Rate Rider for Disposition of Deferral/Variance Accounts (2016)" had been incorrectly calculated for all rate classes.

Today, the OEB is reissuing the Final Rate Order, with the rate riders in the final tariff sheet corrected.

Pursuant to Rule 41.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this to be an error of calculation. The Final Rate Order is not otherwise changed in any way.

Yours truly,
