Dear Ms. Kizek:

**Re: Application for Electricity Generator Licence
Board File Number EB-2016-0175**

The OEB has reviewed your application for an electricity generator licence. Your application cannot be processed as filed due to submission of the old (March 2009) application form which does not provide all information that is currently required by the OEB.

In May 2015, the OEB revised its application form for an electricity generation licence. The new application form can be found on the OEB website at the following address: <http://www.ontarioenergyboard.ca/oeb/Industry/Licences/Apply%20for%20a%20Licence%20-%20Electricity%20Generation>

The OEB will resume processing your application for an electricity generation licence once the current (May 2015) application form has been filed. If the application is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
