Ms. Kirsten Walli  
Secretary  
Ontario Energy Board  
Suite 2700, 2300 Yonge Street  
P.O. Box 2319

Dear Ms. Walli:

**Re: Hydro One Networks Inc.  
Motion for Review and Variance of Decision by Carriers EB-2015-0141**

I write further to Mr. Pinos' letter of May 13, 2016 in which he asks that the Board order that Hydro One provide a summary of its arguments to be made at the upcoming motion returnable on May 19, 2016.

The Board has, in Procedural Order #9, already made provision for the necessary steps and procedures with respect to the Carriers' motion scheduled for May 19, 2016. It did not provide a deadline for responding parties to the motion to provide a summary of arguments. Hydro One submits that this is unnecessary and not in keeping with usual practice on motions. Moreover, it would be unfair to now impose such a deadline.

In the usual course, the general position to be taken would be shared with other parties. Hydro One intends to comply with this usual practice, to the extent that its position differs from the position expressed in its interrogatory responses at issue on the motion.

We respectfully submit that the Board not order any deadline requiring Hydro One to provide the Carriers with a summary of its intended arguments. Should the Board be inclined to order any deadline for exchange of arguments, such deadline should not be prior to noon on Wednesday, May 18, 2016 in light of the timing of the

Carriers' request and other professional commitments and attendances on the part of the undersigned (which Mr. Pinos was advised of).

We thank you for your consideration and look forward to the Board's response.

Yours very truly,

Anita M. Varjadic
