ORDER

SNC-Lavalin Operations & Maintenance Inc. filed a complete application on June 3, 2016 under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for an electricity generation licence to operate the Greater Toronto Airports Authority's (GTAA) cogeneration plant.

The applicant has been operating the GTAA's cogeneration plant without a licence since 2006. As SNC-Lavalin Operations & Maintenance Inc. has been in contravention of section 57 of the OEB Act it may be subject to an OEB compliance proceeding. This licence is granted without prejudice with regard to any future compliance actions.

I have considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
